SPECIAL SURVEYS ACT

Regulation Made by Order in Council
1348 on April 19, 1973, Approving
Special Survey and Plan Under Sec-
tion 26.

REPORT that the following order has
been made by the Deputy Attorney-Gen-
eral pursuant to the provisions of the
Special Surveys Act in respect of the spe-
cial survey of the land hereinafter de-
scribed:

In the Matter of the Special Surveys Act
and in the Matter of the Special
Survey of Bk. 2, Sec. 82, Victoria
District, Plan 1579; All Situate With-
in the Municipality of Saanich and
the Victoria Land Registration Dis-
trict.

"Whereas under the authority of the
Special Surveys Act, and pursuant to
the request of a number of registered
owners affected, concurred with by the
Surveyor-General, Gilbert D. Kennedy,
Q.C., Deputy Attorney-General, on the
21st day of March 1972, directed a special
survey of the lands herein described be
made and a plan prepared by G. T. Mul-
lin, a British Columbia land surveyor,
approved by the Surveyor-General:

"Whereas a plan of the special survey,
together with Mr. Mullin's report, have
been duly deposited with the undersigned:

"Whereas, in accordance with section
23 of the Act, I appointed Henry T. Ken-
nedy, Esq., Registrar of the Victoria Land
Registration District, to hear any com-
plaints or claims with respect to the spe-
cial survey or the surveyor's report:

"And whereas the Registrar did attend
at the time and place appointed to hear
any complaints or claims with respect to
the special survey or the surveyor's report,
and duly reported thereon to the under-
signed:

"In accordance with the provisions of
section 26 of the Act, I hereby order:

"1. That the report of G. T. Mullin,
B.C.L.S., be adopted and confirmed sub-
ject to amending, as hereinafter provided,
his statement under clause (d) of section
17 of the *Special Surveys Act* containing
an estimate of damages or increased
values, and showing a just and equitable
apportionment thereof, and subject fur-
ther, to amending the plan of special
survey by

- (a) including in the special survey
area the remainder (the 5.98'
strip) of Block 2 shown on the
plan;
- (b) striking out all the words, figures,
and letters in the heading of the
plan after the words 'Plan of Spe-
cial Survey of' and preceding the
word and figure 'Block 2';
- (c) altering the common boundary line
between the new Lots 13 and 14
in accordance with the Registrar's
report hereinafter referred to; and

(d) striking out the words and figures
'5.98' strip dedicated for road'
and substituting '5.98' strip vested
in the Crown under s. 29 of the
Special Surveys Act'.

"2. That the Registrar's report be con-
firmed subject to the following amend-
ments to his 'Findings and Recommenda-
tions':

- (a) the finding (p. 1, last para.) that
'Block 2 does not extend westerly
beyond the westerly boundaries of
old Lots 1, 2 and A', has been
determined on further investigation
to be incorrect; the 5.98' strip be-
ing within the special survey area;
- (b) as a result of (a), *supra*, the find-
ing (p. 3, para. 1) that the 5.98'
strip 'would be without established
ownership (as it presumably has
heretofore)' is incorrect; title be-
ing nominally in the name of the
original subdivider of the lands
included in Plan 1579;

(c) the amount of compensation pay-
able by the Johnstones, the owners
of the new Lot 11, to Margaret
Christina Lee, the owner of the
new Lot 10, be increased from
\$675 to \$900;

(d) the contributors to the Compensa-
tion General Fund referred to in
the Registrar's report be increased
and the distribution of the Fund
altered by

(i) adding the Crown as a
payor in the amount of \$303; it
being considered that the persons
entitled to claim against the Com-
pensation General Fund have a
better equity to the Crown's con-
tribution of \$303 than the nominal
owner of the 5.98' strip, i.e., the
original subdivider of the land in-
cluded in Plan 1579; and

(ii) allowing the payees the
gross amounts settled by the Regis-
trar (p. 10, last para. of the re-
port), i.e., Mitchell, the owner of
Lot 12, \$106, and Lee, the owner
of Lot 9, \$440; and

(e) no costs be allowed The Corpora-
tion of the District of Saanich.

"3. That where, in consequence of the
special survey, any land is added to any
previously existing parcel, that land be
vested in the registered owner of that
parcel, subject to any registered charge
that exists against the parcel of which it
becomes a part.

"4. That where, in consequence of the
special survey, any land is added to any
previously existing highway, that land be
vested in the Crown.

"Dated at Victoria, B.C., this 28th day
of March 1973.

"GILBERT D. KENNEDY

"Deputy Attorney-General"

And that His Honour the Lieutenant-
Governor in Council has been pleased to
order that the order of the Deputy At-
torney-General be and the same is hereby
confirmed:

And that the special survey and plan
attached hereto be approved:

be declared to be the true and correct
survey and plan of the lands affected
thereby:

And that all boundaries and lines fixed
by the special survey and plan be declared
to be and are the true boundaries and
lines:

And that the special survey and plan
be substituted for all portions of former
plans or surveys of the land affected:

ute, as approved, together with a plan of
the special survey, be transmitted to the
Registrar of the Victoria Land Registra-
tion District, and that a copy of this min-
ute be forwarded to the Municipal Clerk

Superstructures, Structural-steel Alternative, Contract 1: Structural Steel

SEALED TENDERS, marked "Tender for Bridge Project 768—Westmount, 28th Street, 15th Street, and Taylor Way Grade-separation Structures (Structural Steel Alternative), Contract 1: Structural Steel," will be received by the Minister of Highways, in his office at the Parliament Buildings, Victoria, B.C., up to 2 p.m. (Pacific Daylight Saving time) on Thursday the 10th day of May 1973, and opened in public at that time and date. Tenders should be delivered to Room 237, Douglas Building, Victoria.

The work to be carried out consists of the supply, fabrication, erection, and shop-painting of structural steelwork for four grade-separation structures upon foundations furnished by the Department.

Plans, specifications, and conditions of tender may be obtained from the Provincial Government Plan Viewing Room, 108, 501 West 12th Avenue, Vancouver 9, B.C. (telephone 879-7531), or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable.

Construction of this contract shall conform to the requirements of the applicable sections of the Department of Highways "General Specifications for Highway Construction." If the bidder does not already have a copy of these specifications, one may be obtained from the Provincial Government Plan Viewing Room, Vancouver 9, or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable. All copies purchased are registered and amendments are forwarded when issued.

Each tender must be accompanied by a bid bond or a certified cheque in an amount equal to 10 per cent of the tender price. A performance bond and a labour and material payment bond, each in the amount of 50 per cent of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder upon receipt of notice of acceptance of tender. If a bid bond is supplied, this bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so. In the event that the successful bidder supports his tender with a certified cheque, but fails to produce the required performance bond and labour and material payment bond within a period of 14 days from the date of issuance of notice that his tender is accepted, the Minister of Highways shall have the right to forfeit the tender deposit in its full amount or to the extent of the difference in cost between the bidder's tender and the accepted tender, whichever is the lesser.

ance of notice that his tender is accepted, the Minister of Highways shall have the right to forfeit the tender deposit in its full amount or to the extent of the difference in cost between the bidder's tender and the accepted tender, whichever is the lesser.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

The tender submitted is irrevocable for 60 days and may not be altered, amended, or withdrawn for any cause without the written permission of the Minister.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.
